

NOTICE OF MOSQUITO SPRAYING

The Warren County Mosquito Control Commission is planning to perform a limited, targeted adult mosquito treatment in Knowlton Township on **Wednesday Oct 6, 2021**, between the hours of 6:00 and 10:00 p.m., weather permitting.

The following areas will be targeted: **BRUGER ROAD**

An adult mosquito insecticide will be sprayed by Ultra-low volume (ULV) truck-mounted sprayer. The product being applied is: Zenivex E4 (EPA Reg # 2724-807) Active Ingredient Etofenprox or Fyfanon ULV (EPA Reg #279-3539) Active Ingredient malathion.

Trucks are clearly marked as mosquito control vehicles. Applications are limited and targeted to areas of high populations of nuisance and West Nile virus positive mosquitoes.

Residents can call the Warren County Mosquito Commission with questions or concerns at: (908) 453-3585. More information can also be found at:
